RIEDEL**BAR**

DRINK SPECIFIC GLASSWARE

Conceived in collaboration with spirits specialist Zane Harris, this is the first-ever collection of cocktail-specific glassware which has been perfected for thousands of cocktails, giving specific attention to size, shape, volume and capacity for ice. This collection meets the finest points of luxury hospitality's classic and trendy serves by factoring in efficiency, perception, pour cost and even carbon footprint. These are tools by the trade, for the trade.
